## ABOUT US

Manish Enterprises is a leading wholesale and bulk supplier of premium quality herbal and Ayurvedic raw materials, proudly based in Neemuch, Madhya Pradesh — India's renowned hub for medicinal herbs and spices. We serve domestic distributors, Ayurvedic manufacturers, herbal product companies, and international export buyers with a wide range of botanical items, sourced directly from the finest growing regions across India.

Founded on the principles of purity, authenticity, and customer trust, we ensure that every product we supply meets the highest standards of quality. Our team carefully selects and quality-checks each lot to deliver clean, unadulterated herbs, roots, seeds, barks, flowers, and other botanical materials to our valued clients.

### Our Mission

To provide superior quality herbal and Ayurvedic raw materials to manufacturers, traders, and researchers worldwide — fostering a culture of purity, natural healing, and sustainable sourcing, while building lasting partnerships grounded in trust and transparency.

### Our Vision

To become India's most reliable and recognized name in the wholesale supply of herbal and Ayurvedic raw materials — expanding our reach to global markets while maintaining the highest standards of product integrity and ethical business practices.

### Why Choose Manish Enterprises?

- Wide product range of herbs, spices, seeds, roots, barks, and botanicals
- Bulk and wholesale supply at competitive prices for domestic and export buyers
- Stringent quality checks — clean, sorted, and properly graded material
- Reliable supply chain with consistent availability throughout the year
- Trusted by Ayurvedic manufacturers, pharma companies, and herbal exporters
- Custom packaging in small lots, bags, gunny packs, and bulk formats
- Direct sourcing from farms and mandis — ensuring freshness and authenticity
- Prompt delivery with professional and responsive customer service

Parts listed reflect commercially available plant material. Products supplied loose, bagged, or custom-packed.

# QUALITY ASSURANCE

At Manish Enterprises, quality is not an afterthought — it is the foundation of our business. Every herb, spice, seed, and botanical material we supply undergoes a rigorous multi-step quality assurance process before it reaches our customers.

## Our Quality Standards

- Visual inspection for color, texture, and physical appearance
- Moisture content testing to ensure safe storage and long shelf life
- Foreign matter screening — removal of stones, dust, and impurities
- Proper cleaning, sorting, and grading as per buyer specifications
- Adherence to FSSAI guidelines and Ayurvedic Pharmacopoeia standards
- Lot-wise records maintained for complete traceability and transparency

## Sourcing & Authenticity

We source directly from trusted farmers, mandis, and regional suppliers across major herb-growing states including Madhya Pradesh, Rajasthan, Gujarat, Uttarakhand, and Himachal Pradesh. Neemuch — our base of operations — is one of India's largest medicinal herb and spice trading centres, giving us unparalleled access to authentic, freshly harvested botanicals.

## Storage & Handling

Our warehouse facilities are designed to maintain the integrity of herbal materials. Products are stored in clean, dry, well-ventilated conditions, away from direct sunlight and moisture. Temperature-sensitive items are handled with special care to preserve potency and aroma.

## Certification & Compliance

We work with buyers requiring GMP-compliant supply, lab-tested material, and COA (Certificate of Analysis) documentation. We support export requirements including phytosanitary certificates and fumigation reports as per buyer needs and importing country regulations.

HERBS & SPICES

# PACKAGING & BULK SUPPLY

Manish Enterprises offers flexible packaging solutions to meet the diverse needs of domestic distributors, Ayurvedic manufacturers, herbal product companies, and international export buyers. We understand that every buyer has unique requirements, and we tailor our packing accordingly.

## Packaging Options

---

- PP woven bags — 20 kg, 25 kg, 40 kg, 50 kg standard sizes
- HDPE / jute gunny bags for large bulk consignments
- Food-grade polythene inner liners for moisture protection
- Kraft paper bags for retail-ready and branded packaging
- Custom-size packing available on request — 1 kg to 500 kg and above
- Vacuum-sealed packing for delicate materials such as petals and powders
- Private label / white label packaging available for bulk buyers

## Bulk Supply & MOQ

---

We specialize in bulk supply and maintain stock of most listed products throughout the year. Minimum order quantities (MOQ) vary by product, typically starting from 10 kg to 25 kg per item. For large consignments, we offer priority dispatch and competitive pricing.

## Export Supply

---

Manish Enterprises regularly supplies herbal and Ayurvedic raw materials to international buyers in the USA, UK, Middle East, Southeast Asia, and Europe. We assist with export documentation including phytosanitary certificates, fumigation reports, MSDS, and COA as required by the importing country.

## Transportation & Dispatch

---

We dispatch through trusted logistics partners across India — by road, rail, and air freight. Same-day or next-day dispatch is available for in-stock items upon confirmed orders. All shipments are packed securely to prevent damage or contamination during transit.
